Please provide a brief description of why you want to join the Local Coordinating Board and how your skills and experience will help you represent the part of the community not currently represented due to a vacancy:

I'm interested in joining the TDLCB to improve transportation for disadvantaged riders. I'm a person with a disability. I've been riding VoTran fixed route and paratransit buses for 25 years. I've used fixed route and paratransit bus service in Columbia, South Carolina and fixed route bus service in Lynchburg, Virginia. I lived in New York City for a year and used the bus and subway service daily.

Thank you for your interest.

As a customer of VoAccess for approximately 30 years, I understand the challenges of using the service.

I'm Vice President of the National Federation of the Blind, have served on Handicapped Adults of Volusia County (HAVOC), and have used wheelchairs and crutches.

There is room for VoAccess to improve and I hope to make improvements for all users.

RE: Letter of Support for the Statewide Advancement of Feature Enhancements at Intercity Passenger Rail Crossings (SAFE-IPR) Program

Dear Administrator Fink,

On behalf of the Volusia-Flagler Transportation Planning Organization (TPO), I am pleased to express our support for the Florida Department of Transportation's (FDOT) application to the Federal Railroad Administration (FRA) under the Federal-State Partnership for Intercity Passenger Rail (FSP) Grant Program for the Statewide Advancement of Feature Enhancements at Intercity Passenger Rail Crossings (SAFE-IPR) Program.

This initiative aligns closely with the strategic priorities of the U.S. Department of Transportation and FRA by advancing investments that improve safety, enhance state of good repair, strengthen system durability, and modernize critical transportation infrastructure. From a local government perspective, the SAFE-IPR Program also supports improved system operations by reducing delays and improving travel time reliability for intercity passenger rail service operating through our community.

The SAFE-IPR Program's statewide, programmatic approach to implementing safety countermeasures at 910 intercity passenger rail crossings, of which 36 lie within our planning area, reflects a comprehensive and coordinated strategy for addressing safety risks that affect communities across Florida. Proposed improvements, including upgraded traffic control devices, enhanced pedestrian treatments, improved lighting, and revised approach geometries, will help reduce safety risks at crossings while improving the movement of people and goods, emergency response operations, and quality of life for residents, visitors, and businesses.

The Volusia-Flagler TPO supports the SAFE-IPR Program and believes it will play a critical role in advancing a safer, more reliable, and more resilient transportation system at both the local and statewide levels. We appreciate FDOT's leadership in advancing this effort and look forward to continued coordination with the Department and project partners as safety improvements are implemented at crossing locations within our planning area.

Respectfully,

City of South Daytona Councilman Eric Sander  
Volusia-Flagler TPO Board Chairperson

RE: U.S. Department of Transportation Better Utilizing Investments to Leverage Development (BUILD) Grant Program - Funding Opportunity #DTOS59-26-RA-BUILD

Dear Secretary Duffy,

On behalf of the Volusia-Flagler TPO, I am writing to express support for the County of Volusia d/b/a/ VoTran's grant application for the FY 2026 Better Utilizing Investments to Leverage Development (BUILD) National Infrastructure Investments – Funding Opportunity #DTOS59-26-RA-BUILD.

VoTran is applying for the BUILD Grant Notice of Funding Opportunity referenced above to fund the replacement and improvement of their current vehicle transfer facility.

The Volusia-Flagler TPO recognizes the importance of sustainable and environmentally friendly transportation solutions. The replacement of the vehicle transfer facility to accommodate enhanced use of rideshare and park-and-ride opportunities aligns with our shared goals. By investing in facilities that support reduced emissions, air quality improves and contributes to the overall well-being of our community.

The Volusia-Flagler TPO is supportive of this project and believes it will have a positive impact on public transportation service within Volusia County. If you have any questions or need additional information, please feel free to contact us.

Respectfully,

City of South Daytona Councilman Eric Sander

**RE: Request for Revision to Fiscal Year (FY) 2025/26-2029/30 Transportation Improvement Program (TIP)**

Dear Ms. Nicoulin:

Florida Department of Transportation requests River to Sea TPO revise the FY 2025/26-2029/30 TIP.

Project #452481-2 is a capital project using rural formula 5310 funds for the purchase of vehicles by Flagler County BOCC. This project requires an amendment to add it to the TIP so funds can be authorized for the project.

Project #456269 is a Project Development and Environment (PD&E) Study for Interstate 4 (I-4) to improve safety and accommodate future travel demand. Federal funds have been added to the PD&E phase and require a formal amendment to ensure the federal funds can be authorized.

Please use the information in the table below to amend the TIP accordingly:

**Adopting the 2026 Volusia-Flagler TPO Transportation  
Safety Targets**

# Safety Performance Measures

- 📍 Number of Fatalities
- 📍 Number of Serious Injuries
- 📍 Fatality Rate per 100 Million VMT
- 📍 Serious Injury Rate per 100 Million VMT
- 📍 Number of Non-Motorized Fatalities and Serious Injuries

# Safety Performance Targets

- 📍 Federally Mandated
- 📍 FDOT - Target of Vision Zero
- 📍 Adopt Independent Targets

## Volusia-Flagler TPO Safety Targets

- 📍 2018 – 2022 Adopted Independent Targets Based on Two Percent Annual Reduction in the Number for Each Safety Performance Measure
- 📍 2023 - 2025 – Adopted State Target of Zero for each Safety Performance Measure
- 📍 2026 – Continue to Support State Target of Zero for each Safety Performance Measure

## Why Setting a Target of Zero Matters

- 📍 Provides a Clear, Public-facing Commitment to Safety
- 📍 Keeps Safety at the Forefront of Transportation Planning
- 📍 Reinforces a Shared Statewide Commitment
- 📍 Focus on Continuous Improvement

## Performance Management

### OVERVIEW

The first of Federal Highway Administration's (FHWA) performance management rules establishes measures to assess safety on all public roads and the process for the Florida Department of Transportation (FDOT) and Florida's Metropolitan Planning Organizations (MPO) to establish and report their safety targets.\*

### PERFORMANCE MEASURES – APPLICABLE TO ALL PUBLIC ROADS

<b>NUMBER OF FATALITIES</b>	<i>The total number of persons suffering fatal injuries in a motor vehicle crash calculated based on a 5-year rolling average.</i>	<b>RATE OF SERIOUS INJURIES</b>	<i>The total number of serious injuries per 100 million VMT calculated based on a 5-year rolling average.</i>
<b>RATE OF FATALITIES</b>	<i>The total number of fatalities per 100 million vehicle miles traveled (VMT) calculated based on a 5-year rolling average</i>	<b>NUMBER OF NON-MOTORIZED FATALITIES AND NON-MOTORIZED SERIOUS INJURIES</b>	<i>The combined total number of non-motorized fatalities and non-motorized serious injuries involving a motor vehicle calculated based on a 5-year rolling average.</i>
<b>NUMBER OF SERIOUS INJURIES</b>	<i>The total number of persons suffering at least one serious injury in a motor vehicle crash calculated based on a 5-year rolling average.</i>		

### TIMELINE

\* Please refer to the [fact sheet](#) addressing *MPO Requirements* for information about MPO targets and planning processes.

## STATEWIDE TARGETS

FDOT establishes statewide safety targets for the following calendar year as part of the [HSIP Annual Report](#), which must be submitted by August 31 each year.

Given FDOT's firm belief that every life counts, the target set for all safety performance measures is ZERO.

## MPO TARGETS

MPOs must set targets by February 27 of each year (within 180 days after FDOT sets targets). MPOs have the option of supporting the statewide targets or establishing their own targets for the MPO planning area.

MPOs must include the most recent reported performance and targets with each TIP update. The TIP must describe how the investments contribute to achieving the performance targets. The LRTP must include a System Performance Report that discusses the performance of the transportation system and progress achieved in meeting the targets over time.

## ASSESSMENT OF SIGNIFICANT PROGRESS

FHWA considers a state to have met or made significant progress when at least four of the five safety targets are met or the actual outcome is better than baseline performance. Florida is making progress towards achieving the targets established for serious injuries but not yet for fatalities or non-motorized users.

As requested by FHWA, FDOT annually develops an [HSIP Implementation Plan](#) to highlight strategies it will undertake in support of these targets. MPOs are encouraged to review this Plan each year to identify strategies appropriate for their planning area.

FHWA will not assess MPO target achievement. However, FHWA will review MPO adherence to performance management requirements as part of periodic transportation planning process reviews.

## 15 Years of Moving Together — What's Next for Your Commute

Dear Commuter,

For the past 15 years, the Florida Department of Transportation (FDOT) District Five has sponsored the reThink Your Commute program by helping thousands of people explore additional travel options, from rideshare and vanpooling to transit, biking, and walking. As FDOT focuses resources in support of Central Florida's transportation needs, the reThink Your Commute program will conclude on **January 31, 2026**.

**Please remember to use your reThink Your Commute reward points and submit your reimbursable rides request by January 31, 2026.** After that date, the program will no longer be active. This will include the discontinuation of the "reThink Your Commute" Application trip planner and the Reimbursable Rides emergency ride home program.

Many resources remain available to help you get where you need to go.

### **What You Can Do Now:**

Check out transit agency websites in your region, see schedules, maps, and services that best match your route:

- [The Central Florida Regional Transportation Authority \(LYNX\)](#)
- [SunRail Commuter Rail](#)
- [Votran \(Volusia County\)](#)
- [LakeXpress \(Lake County\)](#)
- [Space Coast Area Transit \(Brevard County\)](#)
- [Sumter County Transit](#)
- [Flagler County Transit](#)
- [SunTran \(Marion County\)](#)
- [Scout \(Seminole County\)](#)
- [RideDTO \(Downtown Orlando\)](#)
- [Mt. Dora Freebee Ride Service](#)

- [City of Kissimmee Freebee Ride Service](#)
- Use FL511 — real-time traffic, travel conditions on the state roadway system, incident alerts, and commuter trip planning by visiting [www.fl511.com](http://www.fl511.com) or on the FL511 app.
- Explore [Transit Connects](#) finding your ride in all parts of Florida for easy access to where you are going.
- Look at [Florida's Commuter Services](#)— for carpool matches, vanpool options, and alternative commute ideas.
- SunRail has a list of connectivity services here: [Connecting Services - SunRail](#)
- Contact your local transit provider to ask about discounted passes, late-night options, or commuter incentives.

### Why This Transition Matters

- The way people commute is changing, telework is continuing for some businesses, more transit investment, more options.
- FDOT continues to invest in transit capital programs and mobility innovation so that your region's transportation system keeps improving.
- The goal remains the same: better access, more options, less congestion and a connected Florida.

We want to express our deepest gratitude for letting us be a part of your journey. While the program is ending, we believe a more dynamic, flexible, and responsive commuter transportation lies ahead, and we are committed to supporting that growth.

Safe travels,

The reThink Your Commute Team

*(P.S. You do not need to take any action unless you wish to explore alternative commute options now. We encourage you to bookmark the resources above.)*
