C. REVIEW AND RECOMMEND APPROVAL OF RESOLUTION 2017-## AMENDING THE FY 2016/17 – 2020/21 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

BACKGROUND INFORMATION:

This proposed TIP amendment adds funding for construction to FM# 4355881, Magnolia Street Sidewalk, pursuant to a request by the City of New Smyrna Beach as discussed by this committee at last month's meeting.

The proposed amendment also revises FM# 4355911, SR 421 (Dunlawton) Phase 1 from Ridgewood Av to Spruce Creek Rd, by advancing the project to the current year, correcting the project limits, revising the scope, adding a design phase, and increasing construction funds. This project was originally intended only to provide lighting for pedestrians along Dunlawton Avenue between US 1 and Spruce Creek Road. A new FDOT policy requires the new lighting to provide uniform illumination across the full width of the roadway. As a result the project scope was revised and the project was redesigned. The project cost increased accordingly.

The proposed amendment is more fully described in the enclosed Resolution 2017-## and Attachment "A".
