Ms. Nicoulin reviewed the Volusia-Flagler 2050 LRTP Goals and Objectives and stated that comments had been received, which were minor in nature. She noted that the previous LRTP had been a major overhaul, while this one is more of an update.

The motion carried unanimously.

C. Review and Approval Volusia-Flagler 2050 Long Range Transportation Plan (LRTP) Public Involvement Plan (PIP)

MOTION: *A motion was made by Commissioner Briley to approve the Volusia-Flagler 2050 Long Range Transportation Plan (LRTP) Public Involvement Plan (PIP). The motion was seconded by Commissioner Belhumeur.*

Chairperson Sander noted the LRTP PIP had been presented to the TPO Board in January and no comments were received.

Ms. Nicoulin reviewed the LRTP Public Involvement Plan, referencing the targets for measures of effectiveness on page 23.

Members expressed the importance of 4.10: the LRTP One-Pager, and noted that it should be engaging. It was asked where the three LRTP promotional videos will be made available. Ms. Nicoulin stated that the videos would be available on the TPO's website, the LRTP webpage, and YouTube.

The motion carried unanimously.

D. Review and Approval to Reschedule the September 24, 2025 TPO Board Meeting

Ms. Nicoulin explained the adoption schedule for the LRTP, noting that it is required to be adopted by September 23rd. She stated that the TPO Board meeting is currently scheduled for September 24th; this would effectively make the TPO out of compliance. She explained the cons of being out of compliance and the importance of staying in compliance. Therefore, two dates were identified as options for rescheduling the September TPO Board meeting by the Executive Committee: Wednesday, September 17th or Tuesday, September 23rd.

Members discussed the importance of sending alternates if they were unable to attend the meeting and possible delays due to hurricanes and potential meeting conflicts.

Members were asked for a show of hands for the date they would prefer, and the consensus was Wednesday, September 17th.

MOTION: *A motion was made by County Vice Chair Reinhart to reschedule the September 24, 2025 TPO Board Meeting to September 17, 2025. The motion was seconded by Vice Mayor Gillis and carried unanimously.*

5. Presentations, Status Reports, and Discussion Items

A. Presentation and Discussion of the Development of the Volusia-Flagler 2050 Long Range Transportation Plan (LRTP)

Mr. Jim Wood, Kimley-Horn, gave a PowerPoint presentation explaining what the 2050 Long Range Transportation Plan (LRTP) is, its draft goals and objectives, finances, the draft Public Involvement Plan (PIP), and schedule.
