Re: Information Technology (IT) Services – Request for Proposals (RFP)

The River to Sea TPO uses a third-party IT Vendor to manage the overall computer systems, network and associated hardware, software and operating systems. The firm provides the necessary monitoring for the quality, security, performance, availability, recoverability, and reliability of the system. This firm is also responsible for managing the TPO’s email system, wireless network, offsite data back up and cyber security.

The current IT Services contract is set to expire on June 30, 2024. Accordingly, the TPO started the Request of Proposals (RFP) process to renew the contract and select a vendor for IT contractual services on February 29, 2024, as specified in Section 11 of the River to Sea TPO Purchasing Manual.

Utilizing the process outlined in the River to Sea TPO Purchasing Manual, the following activities were undertaken to solicit firms as part of the Request for Proposals (RFP):

- The legal ad for the RFP was published in the Daytona Beach News Journal on February 29, 2024.
- The RFP was posted to the River to Sea TPO website home page on February 29, 2024, and on Facebook and X (formerly Twitter) on March 1, 2024.
- Thirteen (13) direct solicitations to firms were sent notifying them of the RFP.
- Questions on the RFP were required to be submitted by March 6, 2024, and responses were posted on March 8, 2024; 2 inquiries were received.
- Deadline for proposals was 2:00 p.m., on Friday, March 15, 2024.

The River to Sea TPO received one proposal in response to the effort.

Beverly Beach	DeBary	Flagler Beach	New Smyrna Beach	Palm Coast	South Daytona
Bunnell	DeLand	Flagler County	Oak Hill	Pierson	Volusia County
Daytona Beach	Deltona	Holly Hill	Orange City	Ponce Inlet	
Daytona Beach Shores	Edgewater	Lake Helen	Ormond Beach	Port Orange	

The following sections of the Purchasing Manual address the receipt of proposals:

Page 27, Section 11 E.2.g. – Formal Competitive Award Process, “If there are fewer than three (3) respondents, the Selection Committee will determine whether to use the responses received or re-advertise.”

Page 28, Section 11 E.3.b. – Formal Competitive Award Process, “In the event only one responsive proposal is received, the R2CTPO reserves the right to award to the sole proposer, direct staff to re-advertise the RFP with or without making changes to the evaluation factors, or elect not to proceed.”

The IT Services Selection Committee met on March 22, 2024, and reviewed the overall solicitation process. Consideration was given to the following:

- One of the thirteen contacted firms notified the TPO that they were unable to respond to the solicitation due to staffing shortages.
- Two of the thirteen contacted firms submitted questions that were answered by March, 8, 2024 by posting Addendum # 1 on the website with notification sent to all 13 firms by email.
- Guidance from FDOT staff indicates that there’s no minimum requirement for the receipt of proposals and that M/TPOs are expected to follow their adopted procedures.
- The sole proposer received was submitted by the TPO’s current IT Vendor, James Moore Advisory, LLC – Technology Services (JMA TS), and they have provided responsive service to the TPO since 2014.
- JMA TS is knowledgeable of the TPO’s IT service needs (including the upcoming office relocation) and maintains the qualification necessary to continue to provide quality IT Services to the TPO

After weighing all factors, the IT Services Selection Committee recommends approval to proceed with contract negotiations with James Moore & Co. for the TPO’s IT Services Contract.

**I. Call to Order / Roll Call / Determination of Quorum**

The River to Sea Transportation Planning Organization (TPO) Executive Committee meeting was called to order at 9:00 a.m. by Chairperson Chris Cloudman. It was determined that a quorum was physically present. The meeting was held in a hybrid format with remote participation provided; five voting members were physically present and one voting member was virtually present.

**II. Public Comment/Participation**

There were no public comments.

**III. Business Items**

**A. Review and Approval of Resolution 2024-04 Amending the Connect 2045 Long Range Transportation Plan (LRTP)**

Mayor Cloudman explained that at last week's TPO Board meeting a physical quorum was not present and the Executive Committee was given direction from the TPO Board to take action on action items A, B, and C at their next meeting. The TPO Board will then ratify those actions at the next TPO Board meeting.

***MOTION: A motion was made by Mayor Alfin to allow members attending virtually to participate and vote. The motion was seconded by Vice Mayor Sander and carried unanimously.***

Mayor Cloudman discussed updating the Bylaws to address scenarios when the TPO Board is not able to obtain a physical quorum.

Ms. Nicoulin stated that item E on the agenda will address the discussion of the Bylaws. She explained that the first three agenda business items were action items from last week's TPO Board meeting. She reached out to the TPO's legal counsel following last week's TPO meeting to discuss the procedure for taking action on the items. The Bylaws, as they are currently written, allow the Chair, or Vice Chair in the absence of the Chair, to authorize amendments, programs, or documents outside of a meeting subject to that approval being brought back to the TPO Board at their next meeting for ratification. It does not allow that authorization to be given by the Executive Committee. Legal counsel recommended presenting the items to the Executive Committee for a

recommendation and then TPO Chairperson Cloudman exercising his authority to either approve or not approve the items following the Executive Committee meeting. She provided resolutions regarding the emergency amendments to the LRTP and TIP, stating that this language would authorize these amendments to move forward. The TPO is looking for a motion recommending approval of the amendments as they were presented to the TPO Board last week.

Mayor Alfin noted that the conversations and discussions at last week's TPO Board meeting were favorable for all the action items and there were no objections.

Ms. Nicoulin stated that these amendments were presented to the CAC and TCC at their meetings last month and received unanimous recommendations of approval to move forward. The LRTP amendment was open for the required 30-day public review comment period and the TPO has not received any comments.

**MOTION:** *A motion was made by Vice Mayor Sander to recommend the TPO Chairperson approve Resolution 2024-06 amending the Connect 2045 Long Range Transportation Plan (LRTP); to be ratified by the TPO Board at their March 27, 2024 meeting. The motion was seconded by Mayor Partington and carried unanimously.*

**B. Review and Approval of Resolution 2024-05 Amending the FY 2023/24 to FY 2027/28 Transportation Improvement Program (TIP)**

**MOTION:** *A motion was made by Vice Mayor Sander to recommend the TPO Chairperson approve Resolution 2024-07 amending the FY 2023/24 to FY 2027/28 Transportation Improvement Program (TIP); to be ratified by the TPO Board at their March 27, 2024 meeting. The motion was seconded by Mayor Partington and carried unanimously.*

**C. Review and Approval of Draft FY 2024/25 and FY 2025/26 Unified Planning Work Program (UPWP) for FDOT/FWHA Review**

**MOTION:** *A motion was made by Mayor Alfin to recommend the TPO Chairperson authorize the transmission of the draft FY 2024/25 and FY 2025/26 Unified Planning Work Program (UPWP) task activities for FDOT/FWHA review; to be ratified by the TPO Board at their March 27, 2024 meeting. The motion was seconded by Vice Mayor Sander and carried unanimously.*

**D. Review and Approval of the 2023 Annual FDOT/TPO Joint Certification Report**

Ms. Powell explained the process of the joint certification in detail. Based on the process, the final score is translated into a percentage which provides a risk level. She announced that River to Sea TPO scored 100% and is considered low risk.

Mayor Alfin suggested that the Chair consider a letter of congratulations and thanks to the TPO staff to be read at the TPO Board meeting as this is a memorable achievement.

**MOTION:** *A motion was made by Mayor Alfin to recommend approval of the 2023 Annual TPO/TPO Joint Certification Report as presented. The motion was seconded by Vice Mayor Sander and carried unanimously.*

**E. Discussion of TPO Bylaws Regarding Meeting Quorums and Voting**

Ms. Nicoulin explained that she had spoken with the TPO's legal counsel regarding having non-voting representatives of the Small City Alliance step in and vote in lieu of a large city voting member's absence. She noted that the Broward MPO has something similar regarding their membership and she explained what they do. She pointed out that if a Small City Alliance member is appointed to vote, they would not be able to vote in the absence of a county voting member because the TPO is required to have 1/3 of the voting membership be county. She explained that any change to the Bylaws would require an amendment to the TPO's Apportionment Plan, which has not yet been approved by the Governor. This allows some time to run through scenarios and do testing.

Discussion ensued regarding how often obtaining a physical quorum is an issue; where and how the quorum is defined and if the number can be lowered; the importance of each member appointing an alternate; remote participation being for extenuating circumstances only; and the process of electing a Small City Alliance member to vote.

The Executive Committee requested that TPO staff bring back options for addressing a lack of a quorum and adding the topic to the April TPO Board agenda.

**F. Update on TPO Office Lease Negotiations**

Ms. Nicoulin explained that the TPO's legal counsel is still working on the new office lease, and it should be done by Monday. She stated that the TPO's current lease requires a 15-day notice for departing the current property.

**G. Review and Approval of February 7, 2024 Executive Committee Minutes**

**MOTION:** *A motion was made by Mayor Alfin to approve the draft February 7, 2024 Executive Committee Minutes. The motion was seconded by Vice Mayor Sander and carried unanimously.*

**H. Review and Approval of Draft March 27, 2024 TPO Board Agenda**

Ms. Nicoulin reviewed the draft March 27, 2024 TPO Board Agenda.

Ms. Nicoulin discussed adding a presentation item for the Bylaws as discussed earlier in this meeting.

**MOTION:** *A motion was made by Mayor Alfin to approve the draft March 27, 2024 TPO Board Agenda with the addition of a presentation item to discuss the TPO Bylaws, meeting quorums, and voting. The motion was seconded by Vice Mayor Sander and carried unanimously.*

**IV. Staff Comments**

There were no staff comments.

**V. Executive Committee Member Comments**

Vice Mayor Sander stated that the discussion on ways to achieve a physical quorum was a good discussion.

**VI. Adjournment**

The Executive Committee meeting adjourned at 10:00 a.m.
