1. Call to Order / Roll Call / Determination of Quorum/Pledge of Allegiance

TDLCB Chairperson Matt Reinhart called the meeting of the Volusia-Flagler Transportation Planning Organization (TPO) Transportation Disadvantaged Local Coordinating Board (TDLCB) to order at 10:00 a.m. The roll was called, and it was

determined that a quorum was physically present. The meeting was held in a hybrid format with nine voting members physically present.

The Pledge of Allegiance was given.

MOTION: *A motion was made by Mr. Hall to allow TDLCB members attending virtually to participate and vote. The motion was seconded by Ms. Tyson and carried unanimously.*

2. Public Comment/Participation

There were no public comments.

3. Action Items

A. Review and Approval of the October 30, 2024 TDLCB Meeting Minutes

MOTION: *Mr. Hall moved to approve the October 30, 2024 TDLCB meeting minutes. The motion was seconded by Mr. Santiago and carried unanimously.*

B. Review and Approval of Votran's Monthly Paratransit Reports

Mr. Heseler reviewed Votran's monthly paratransit reports for August, September, and October 2024. He noted total trips and no-shows were down when compared to the previous year.

MOTION: *Ms. Hall moved to approve Votran's monthly paratransit reports. The motion was seconded by Mr. Juengst and carried unanimously.*

C. Review and Approval of Votran's FY 2024/25 Evaluation

Mr. Harris reviewed the changes to Votran's FY 2024/25 Evaluation which was conducted using criteria developed by the Commission for the Transportation Disadvantaged (CTD). He noted the new information was highlighted.

MOTION: *A motion was made by Ms. Ledgerwood to approve Votran's FY 2024/25 Evaluation. The motion was seconded by Ms. Tyson and carried unanimously.*

D. Appointment of Vision Zero Comprehensive Safety Action Plan Task Force Members

Chairperson Reinhart explained that this item was a request to appoint members to the Vision Zero Comprehensive Safety Action Plan (CSAP) Task Force which will oversee the development and implementation of the CSAP. Meetings will be held in January, March, and May.

Mr. Harris provided a history of the Safe Streets and Roads for All (SS4A) grant award and the CSAP, noting that the consultant selected was VHB, Inc. The CSAP is expected to be adopted in June 2025, and Task Force members will be asked to provide input on specific roadways in Volusia and Flagler Counties that have safety issues. VHB will identify the problem areas as well as countermeasures to address the issues. Members of the Task Force include committee members, law enforcement, and business and community stakeholders, among others. He noted that Mr. Civitelli had previously volunteered.

Chairperson Reinhart volunteered and Mr. Steve Williams, a citizen, indicated he would like to participate on the Task Force.

MOTION: *A motion was made by Ms. Hall to appoint the following to the Vision Zero Comprehensive Safety Action Plan Task Force: Council Member Reinhart, Mr. Civitelli, and citizen Steve Williams. The motion was seconded by Ms. Tyson and carried unanimously.*

4. Presentations and Discussion Items

A. Presentation and Discussion of the Transportation Disadvantaged Program

Mr. Harris gave a PowerPoint presentation on the Transportation Disadvantaged Program covering the responsibilities of the Commissioner for the Transportation Disadvantaged (CTD), the Local Planning Agency, the Local Coordinating Board, and the Community Transportation Coordinator (CTC).

Members discussed the meaning of life-sustaining vs. medical trips and the generation of funding for the TD program through car registration renewals. Publicizing the tag renewal TD donation opportunity was discussed and TPO staff agreed to look into ways to do that can occur.

B. Presentation and Discussion of Florida Sunshine Law Refresher

This item was postponed to the April TDLCB meeting due to the illness of Ms. Blankenship, the presenter.

5. Staff Comments

A. TDLCB Annual Public Hearing (Today at 11:00 am)

Mr. Harris announced that a TD Public Hearing would take place following the TDLCB meeting at 11:00 am. He explained that the TD hearing was an opportunity for the public to provide feedback on transportation issues or unmet needs.

B. TD Legislative Awareness Day (Week of March 10, 2025)

Mr. Harris explained that TD Legislative Awareness Day is scheduled for some time during the week of March 10, 2025, but no specific day has been set yet. He added that there is construction occurring where the event normally takes place. He asked for volunteers to attend TD Day noting that the TPO will fund the attendance of up to three TDLCB members.

Chairperson Reinhart suggested meeting with bill sponsors noting that Representative Bill Partington was very active regarding transportation needs.

Ms. Tyson indicated she would be interested in attending.

Mr. Harris stated that he would need to know who wants to attend by the end of January.

Mr. Heseler announced that Ms. Edie Biro, Customer Service Manager, was retiring and it was her last TDLCB meeting. She has been with Votran for 30 years and has put her heart and soul into everything she has done. He added that she was recognized at the last TD Conference.

6. TDLCB Member Comments

Ms. Gillis stated that Mr. Todd Banks was no longer her alternate.

7. TDLCB Chairperson Comments

Chairperson Reinhart stated that tomorrow was the Volusia County Council's day to appoint council members to committees; he is requesting to remain on the TDLCB.

1. Call to Order / Roll Call / Determination of Quorum/Pledge of Allegiance

TDLCB Chairperson Matt Reinhart called the Transportation Disadvantaged (TD) Public Hearing to order at 11:00 a.m. The roll was called, and it was determined that a quorum was physically present. The meeting was held in a hybrid format with nine voting members physically present.

The Pledge of Allegiance was given.

Chairperson Reinhart explained that annually, the TDLCB holds a public hearing to receive input from the public on unmet needs related to the Volusia County public transportation system. He asked if there was anyone wishing to make a public comment.

2. Public Comment/Participation

Ms. Kristin Moraitis, Employment Specialist with the Conklin-Davis Center, stated that their clients are having issues with buses, both Votran and the subcontractors, showing up late; up to one hour. Her clients are missing their doctors' appointments and work shifts. She gave an example of a client who was over one hour late being picked up to go to Walmart. While on the bus, others were picked up and she was notified her return ride was already at Walmart for her pick up to go home. She got off the bus at Walmart and immediately got on another bus to take her home; this cost her \$6.00.

Mr. Joshua Stennett, Employment Specialist with the Conklin-Davis Center, stated that some of their clients are getting to work excessively early; at 7:45 am for a 9:00 am morning shift. Then they are forced to clock out early because their transportation is there an hour before their shift ends.

Mr. Heseler noted they would follow up and get the public attendees' contact information in case they have questions.

Mr. Stennett asked if there was a one-hour grace period for pick-up times.

Mr. Heseler responded that it was correct.

Mr. Stennett gave an example of a client who works at Olive Garden which doesn't open until 10:00 am and the client is left sitting outside waiting because they are so early. This is especially an issue with the cold weather.

Chairperson Reinhart thanked the public for being there and sharing their experiences.

Ms. Samantha Ponsolle, Conklin-Davis Center, stated she has a client who uses the service in West Volusia daily and absolutely loves it.

Chairperson Reinhart noted that the Volusia County Council voted to implement VoRide in the west areas of the county that weren't typically serviced. There are visions of extending that service in other areas of Volusia as well.

Ms. Bobbie King stated that they were looking at other ways to provide service and hope to bring something positive forward soon. She noted that she appreciated the specific experiences shared because overall, on-time performance is up, and it looks like we are doing much better than we have been in a very long time but there are instances because of the hour grace period. This doesn't speak to specific issues. She asked the public to report these instances to Customer Service and Reservations.

Chairperson Reinhart stated that they want to meet all the needs.

Mr. Stennett asked if they were thinking of expanding service to LPGA Boulevard and Tomoka Farms Road. There is a lot of construction occurring and job opportunities are opening in that area; also, going west toward DeLand and the Flagler County line.

Ms. King stated that an increase in development doesn't always equate to an increase in riders. She noted that she would look into it but added that it costs a lot to expand transit.

Chairperson Reinhart added the County Council would look into it and gave the example of VoRide.

Mr. Steve Williams, a citizen, noted that everything is based on the fixed route system, but many people use the Votran GOLD service. He asked if any surveys had been conducted regarding those who needed to go to work. Some areas don't have service so he cannot work there. He has been left a couple of hours after he has been picked up and the place has been closed; sometimes it is a visually impaired female who is left alone and vulnerable because the subcontractor or Votran didn't pick her up on time. Many people have cut back on Votran GOLD use because they are concerned about whether they are going to get picked up or not.

Ms. King explained the funding that Votran receives and the transit services that are provided, noting that they provide more TD rides than they get paid for and that money must then be taken from different grants. Anything outside of the programs they already fund would need to be funded in another way.

Ms. Tyson commented that she had an appointment to go from Holly Hill to the Pelican Bay area and when she was scheduling the trip they told her they could not take her to the address she provided.

Ms. King asked if she was classified as a TD rider.

Mr. Heseler stated that this has happened before where an ADA trip outside of the ADA corridor was declined. It would have been necessary to book it under a TD trip which is on a first come, first served basis.

Ms. Tyson stated that this was an ongoing appointment, and she had to take an Uber for that specific trip.

Chairperson Reinhart noted that they would look at the area.

Mr. Stennett added that the Tomoka area is also an issue.

Ms. King explained what TD is.

The fare increase was asked about and where that additional money would be allocated.

Chairperson Reinhart explained that it has been ten years since a fare increase went into effect. Since that time, costs for fuel, repairs, and vehicle parts have all gone up. The Volusia County Council feels they need to implement fare increases in smaller increments; he added that it is possible there may be more increases in the next two years due to continuously rising costs.

Ms. Tyson stated that in the past when they increased the fares, the old tokens were good for one ride. This time the tokens cannot be used without having to add .50 cents to it.

Discussion inaudible.

Chairperson Reinhart stated that they are going to look at new methods for payments like card readers, etc.

Ms. Gillis thanked everyone for coming out, noting that the area is blessed with what it does have in terms of transportation.

Ms. Tyson stated that she has had people comment about the upcoming changes and that Votran sends letters to notify riders. Letters are not effective; she asked if there was any way to have an automatic email sent in the system.

Mr. Kelvin Miller responded that they had sent an email blast out.

Ms. Gillis added that the county also sent an email blast.

Mr. Miller stated that VoCall sent out messages.

Ms. King noted that the bus drivers are supposed to share it as well.

Discussion inaudible.

It was noted that there is a blind customer who has a Daytona State College class from 7:00 pm to 9:45 pm and he was unable to get home; he had to be dropped off at Target which is one mile from his home.

3. Staff Comments

There were no staff comments.

4. TDLCB Member Comments

Mr. Santiago stated that he is a member of several boards and pointed out that Lake County is experiencing the same types of issues.

5. Adjournment

Review and Approval of the 2025 TDLCB Grievance Procedures

Contact: Stephan Harris, SHarris@r2ctpo.org

SUMMARY BACKGROUND:

Grievance Procedures are developed, annually updated, and implemented in accordance with the Commission's most recent TDLCB and Planning Agency Operating Guidelines. The Grievance Committee met before the TDLCB meeting to review the draft Grievance Procedures, which are provided with this agenda packet for your review and approval. The revised text is underlined (additions) or stricken (deletions). TPO staff will be available to answer questions regarding the Grievance Procedures.

RECOMMENDED ACTION:

Draft 2025 TDLCB Grievance Procedures

**GRIEVANCE PROCEDURES
OF THE
~~RIVER TO SEA~~VOLUSIA-FLAGLER TRANSPORTATION PLANNING ORGANIZATION
(TPO)
TRANSPORTATION DISADVANTAGED LOCAL COORDINATING BOARD**

ARTICLE I: PREAMBLE

SECTION 1: PREAMBLE

The following sets forth the grievance procedures which shall serve to guide the ~~River to Sea~~Volusia-Flagler TPO Transportation Disadvantaged Local Coordinating Board (TDLCB), serving to assist the Community Transportation Coordinator (CTC). The intent is to provide procedures and policies for fulfilling the requirements of Chapter 427, Florida Statutes, Rule 41-2.012 of the Florida Administrative Code (FAC), and subsequent laws setting forth requirements for the establishment of grievance procedures. Grievance Committee procedures are designed to address issues raised by agencies, users, potential users, sub-contractors, and other interested parties which cannot be resolved through the CTC. This procedure does not cover the competitive bid process, including Request for Proposals (RFPs).

ARTICLE II: GRIEVANCE COMMITTEE NAME AND PURPOSE

SECTION 1: NAME

The name of the committee to resolve grievances for the ~~River to Sea~~Volusia-Flagler TPO Transportation Disadvantaged Local Coordinating Board shall be the Grievance Committee.

SECTION 2: PURPOSE

The primary purpose of the Grievance Committee is to process, investigate and make recommendations with respect to unresolved complaints to the Local Coordinating Board for improvement of service. This procedure is made available to agencies with Purchase of Service Agreements (POS) contracts, users, or potential users of the system in Volusia to hear complaints and provide a mechanism for issues to be brought before the Grievance Committee which shall meet as often as necessary to address unresolved complaints in a timely manner.

ARTICLE III: DEFINITIONS

SECTION 1: DEFINITION OF COMPLAINT

“A complaint is an oral (in person/telephone) or written statement of dissatisfaction which is presented to Votran, Volusia County’s CTC.”

SECTION 2: DEFINITION OF FORMAL GRIEVANCE

“A formal grievance is a written complaint to document any concerns or unresolved service complaints regarding the operation or administration of TD services by the Transportation Operator, Community Transportation Coordinator, the designated official planning agency (DOPA) or the local coordinating board. The Grievant in their formal complaint should demonstrate or establish their concerns as clearly as possible.”

ARTICLE IV: FILING OF COMPLAINTS AND GRIEVANCES

SECTION 1: PROCESS OF FILING A COMPLAINT

Any user, agency (with POS contract) or potential user may register a verbal/written complaint with the CTC in accordance with the policies and procedures of Votran.

If the complainant is not satisfied with the action taken by the CTC, the user may file a formal written complaint within fourteen (14) days after the CTC’s decision.

Such written complaint shall include the following:

1. The name and address of the complainant.
2. A statement of the grounds for the complaint made in a clear and concise manner, supplemented by supporting documentation:
 - a. Exact date/time of incident.
 - b. Exact location of incident.
 - c. Any witnesses to incident (including name and address).
 - d. Vehicle unit number, license number, color, and type.
3. An explanation of the relief desired by the complainant.
4. If the complainant is unable to submit a formal written complaint, Votran shall have the responsibility of obtaining an advocate who will be available to assist those individuals. The fourteen (14) days needed by the customer to submit their written complaint will not go into effect until the advocate has met with the customer.

A written complaint shall be addressed to:

Votran Bus System
Customer Service Manager
950 Big Tree Road
South Daytona, Florida 32119

A written complaint may also be submitted via the Votran website:
<http://www.votran.org/contact-us/>.

The CTC shall have fourteen (14) days from the date of notification of the complaint to address or investigate the problem. Within that time, the CTC will respond to the complainant by telephone, if possible, and in writing within fourteen (14) days of notification to the complainant as to what action was made

SECTION 2: FILING OF A GRIEVANCE

If the complainant is dissatisfied with the corrective action taken by the CTC, an appeal to the Grievance Committee of the TDLCB may be filed. Such written appeal must be filed within ten (10) working days from the date of notification to the complainant of the final decision from the CTC. The written appeal shall include the following:

1. The name and address of the complainant.
2. A statement of the grounds for the grievance made in a clear and concise manner, supplemented by supporting documentation.
3. Demonstrate or establish a clear violation of a specific law, regulation, contractual arrangement, or circumstance thought to be unjust.
4. An explanation of the relief desired by the complainant.
5. Specified areas of disagreement with the CTC decisions.
6. If the complainant is unable to submit a formal written appeal to be filed, Votran shall have the responsibility of obtaining an advocate who will be available to assist those individuals. The fourteen (14) days needed by the customer to submit a written appeal will not go into effect until the advocate has met with the customer.

An appeal to the Grievance Committee may only be filed after the complainant has sought satisfaction directly from the CTC. If the problem is documented in an Adverse Incident Report, the CTC's Adverse Incident Manager shall provide a copy of the report to the Grievance Committee.

The appeal must be addressed to:

~~River to Sea~~ Volusia-Flagler Transportation Planning Organization
Attn: Grievance Committee
1 Deuce Court, Suite 100
Daytona Beach, Florida 32124

Once an appeal has been received, the Grievance Committee shall meet and render its recommendation within thirty (30) days of the date the appeal was ~~filed~~received. The complainant shall be notified in writing of the mutually agreed upon date, time, and place where the appeal shall be heard. This written notice shall be mailed at least seven (7) days in advance of the meeting.

A written copy of the recommendation will be forwarded to the TDLCB and all parties involved within fourteen (14) days from the date of the recommendation.

Written recommendations will include the following information:

1. A statement that a meeting was held in which the involved parties and/or their representatives were given an opportunity to present their positions.
2. A statement that clearly defines the issues discussed.
3. Reasons for the recommendation based on the information provided.

If the complainant is dissatisfied with the recommendation of the Grievance Committee, he/she may continue the appeal process with the TDLCB.

ARTICLE V: APPEAL TO THE TRANSPORTATION DISADVANTAGED LOCAL COORDINATING BOARD

Should the aggrieved be interested in filing an appeal with the TDLCB it must be filed within fourteen (14) days from the date of receipt of the final recommendation of the Grievance Committee. The appeal should attempt to demonstrate or establish a clear violation of a specific law, regulation, contractual arrangement, or circumstance thought to be unjust. An appeal to the TDLCB can only be filed after the aggrieved has sought satisfaction directly from the Grievance Committee. An appeal to the TDLCB must be addressed to:

~~River to Sea~~ Volusia-Flagler Transportation Planning Organization
Attn: TDLCB
1 Deuce Court, Suite 100
Daytona Beach, Florida 32124

Once an appeal has been received, the TDLCB shall meet and render its recommendation at the next regularly scheduled TDLCB meeting after the date the appeal was filed. The aggrieved shall be notified in writing of the mutually agreed upon date, time, and place where the appeal shall be heard. This written notice shall be mailed at least seven (7) days in advance of the hearing.

A written copy of the TDLCB's recommendation shall be forwarded to all parties involved within fourteen (14) days from the date of the recommendation. A written recommendation shall include the following information:

1. A statement that a hearing was held in which the involved parties, their representatives, and/or witnesses were given an opportunity to present their positions.
2. A statement that clearly defines the issues discussed.
3. Reasons for the recommendation ~~Vetran~~-based on the information provided.

If the complainant is dissatisfied with the recommendation of the TDLCB, he/she may continue the process with the TD Ombudsman Program by calling the following number(s): 1-800-983-2435. For hearing and speech impaired customers call, 711 (Florida Only) Florida Relay System or (850) 410-5708 for TTY or via written correspondence to:

Florida Commission for the Transportation Disadvantaged
Attn: Ombudsman Program
605 Suwannee Street, MS-49
Tallahassee, FL 32399-0450
Email: CTDombudsman@dot.state.fl.us

If the Commission is unable to resolve the grievance, the customer will be referred to the Office of Administrative Appeals or other legal venues as appropriate to the specific nature of the grievance.

All of the steps above must be attempted in the order listed before a complaint or grievance will move to the next step.

ARTICLE VII: SCHEDULED MEETINGS

SECTION 1: GENERAL

The Grievance Committee shall be comprised of a minimum of three (3) TDLCB board members. The CTC shall not serve on the Grievance Committee. Each member shall serve at the discretion of the TDLCB. When a meeting of the Grievance Committee is necessary,

staff to the TDLCB shall schedule the meeting of the Grievance Committee to hear appealed grievances.

ARTICLE VII: AMENDMENTS

SECTION 1: GENERAL

The Transportation Disadvantaged Local Coordinating Board Grievance Procedures may be amended by a two-thirds (2/3) vote of members present, if a quorum exists, providing the proposed change(s) is/are mailed to all members at least seven (7) days in advance of the meeting.

SECTION 2: QUORUM

At all meetings of the Transportation Disadvantaged Local Coordinating Board, the presence in person of six (6) voting members shall be necessary and sufficient to constitute a quorum for the transaction of business. As used herein, the term "CMT" means Communications Media Technology, which includes telephone, Zoom, GoToMeeting, Microsoft Teams, or similar type of platform. Members of the TDLCB, or any TDLCB committee, may attend a meeting, on which the Member serves, remotely using CMT, if there is a quorum of the TDLCB, or TDLCB committee, physically present at the meeting site; provided, that the Member(s) is subject to an "extraordinary circumstance" that justifies the remote attendance. Authority: Florida Attorney General Opinion (AGO) 2003-41.

ARTICLE VIII: CERTIFICATION

The undersigned hereby certifies that she is the Chairperson of the Volusia-Flagler ~~River to Sea~~ TPO Transportation Disadvantaged Local Coordinating Board and that the foregoing is a full, true, and correct copy of the Grievance Procedures of this Local Coordinating Board as adopted by the Volusia-Flagler ~~River to Sea~~ TPO Transportation Disadvantaged Local Coordinating Board the ~~10th~~ 9th day of April 2025.

Presentation and Discussion of the 2055 Florida Transportation Plan (FTP) Update

Contact: Stephan Harris, SHarris@r2ctpo.org

SUMMARY BACKGROUND:

The Florida Transportation Plan (FTP) is a forum for regional collaboration that aims to connect communities, policies, and programs across the state. The plan will be a comprehensive statewide blueprint guiding Florida's 30-year transportation future. Updated every five years, the FTP is a collaborative effort of state, regional, and local transportation partners in the public and private sectors. The plan will be developed through Steering Committee guidance, Focus Group support, and comprehensive community engagement (both partner and public engagement).

Volusia-Flagler 2050 - LRTP Mini-Survey #1

VOLUSIA FLAGLER 2050

The Volusia-Flagler Transportation Planning Organization (TPO) is developing our region's next Long Range Transportation Plan (LRTP), *Volusia-Flagler 2050*. The LRTP is a plan that defines the future transportation needs for Volusia and Flagler counties. Once completed and adopted later this year, *Volusia-Flagler 2050* will replace *Connect 2045*, the TPO's current LRTP.

To follow the progress of the LRTP and for information on upcoming opportunities to get involved, visit the *Volusia-Flagler 2050* page on the TPO's website: <https://www.2ctpo.org/planning-studies/volusia-flagler-2050-long-range-transportation-plan/>

Presentation and Discussion of Florida Sunshine Law Refresher

Contact: Stephan Harris, SHarris@r2ctpo.org

SUMMARY BACKGROUND:

The Florida Sunshine Law, enacted in 1967, is a series of laws that require openness in the government. It gives the public the right to access the public records and meetings of any state, county, or municipal board, commission, or agency, as well as any other organization operating on their behalf. The law applies to both elected and appointed officials and formal and informal gatherings. TPO staff will provide a refresher on the Sunshine Law.

Florida Sunshine Law Refresher Presentation

Sunshine Law & Parliamentary Procedures

Presentation to the TDLCB

April 9, 2025

1

Introduction

The purpose of the Sunshine Law is to ensure that decisions by public bodies are made in an open forum accessible to members of the public.

“Decisions” are official actions which may include, but are not limited to:

- * Recommendations
- * Discussions
- * Deliberations

2

Three Basic Requirements

- 01.** Meetings must be open to the public
- 02.** Reasonable notice of such meetings must be given
- 03.** Minutes of the meetings must be taken and promptly recorded

3

Meetings

All meetings of any board or commission of any state agency or authority or of any agency or authority of any county, municipal corporation...at which official acts are to be taken.” (F.S. 286.011)

4

Meetings

1. A “meeting” occurs when there is ANY gathering, whether formal or casual, of two or more members of the same board or commission to discuss some matter on which foreseeable action will be taken by the board or commission
→ This includes meetings via phone or other electronic means
2. Discussions and deliberations, as well as formal action taken by a body (interactive communication)
3. No requirement that a quorum be present

5

Why must we have the Sunshine Law?

Because every affirmative act of a public official as it relates to and is within the scope of his/her official duties, is a matter of public concern, and the public should, to the extent possible, have access to the entire decision-making process, from start to finish, including initial inquiries and deliberation.

6

Meetings

Volusia-Flagler TPO Board and Advisory Committees

Advisory boards and/or committees created under law or ordinance or otherwise established by public agencies are subject to Sunshine Law

→ This applies equally to elected or appointed boards or commissions

7

Discussions among Members

Discussions between two or more members about topics that might come up for action must take place in a **public meeting setting**

- ✓ No discussions about potential action items in person, by phone, by email, by text messages, on social media, or by any other means of communication
- ✓ DO NOT USE “REPLY ALL”
- ✓ Must declare conflicts of interest

8

What Discussions are covered?

Any discussions of any matter that may foreseeably come before the board:

- ✓ Email discussions between any two or more board members.
- ✓ Telephone conversations between any two or more board members.
- ✓ Internet discussions between any two or more board members (e.g., chat rooms, blogs, comments, etc.)
- ✓ Text messages
- ✓ Inaudible discussions
- ✓ Discussions during recess or after adjournment

9

Discussions with Staff/Non-Board Members

While an individual board member is not prohibited from discussing board business with staff or a non-board member, these individuals may not be used as a liaison to communicate information between board members.

10

Staff as Liaisons

A board member cannot ask staff to poll the other board members to determine their views on a board issue.

Generally, individual board members may call upon staff members for factual information and advice without being subject to the Sunshine Law.

However, the Law applies if a board member uses one or more staff members as “go between” such that the board members are essentially discussing matters that may foreseeably come before the board via third parties

11

Penalties for Sunshine Law Violations

Any member of a board, commission, committee, or agency who **knowingly violates** the Sunshine Law is guilty of a misdemeanor of the second degree:

✓ Persons convicted of this may be sentenced to jail for up to 60 days and/or fined up to \$500

✓ An **unintentional violation** in a noncriminal infraction punishable by a fine of not more than \$500

12

Roberts Rules of Order & Parliamentary Procedures

Methods to conduct business at meetings that allow everyone to be heard and to make decisions without confusion

13

Motions

MAIN MOTION:

A stated proposal on which a committee takes action; only one main motion on the floor at a time

- **Example:** I move to approve the January 10, 2025 TDLCB meeting minutes

AMENDMENT:

Modifies the pending motion before being voted on

- **Example:** I move to amend the motion to approve the January 10, 2025 TDLCB minutes to strike the words "1,000 no-shows" and add the words "1,200 no-shows"

VOTING STRUCTURE:

Vote on the Amendment first, and then the Main Motion "as amended"

14

Motions

1. **Motion:** A person makes a motion
 2. **Second:** Another person seconds the motion
 3. **Restate Motion:** Chair restates the motion*
 4. **Debate:** The members debate the motion
 5. **Vote:** Chair asks for affirmative votes, then negative votes
 6. **Announce the Vote:** Chair announces the results of the vote
- *A motion belongs to the committee and not the maker of the motion once the chair restates it and opens the floor for debate*

15

Withdrawing a Motion

- ✓A motion may be withdrawn by the one who made it only until the Chair restates the motion and opens it up for debate/discussion
- ✓Once a motion is released for debate/discussion, the maker of the motion must request permission from the floor (now the owners of the motion) to withdraw the motion; this can be done by a consensus, although if it is not unanimous then a vote must be taken

16

Voting

- ✓ **Quorum:** Robert's Rules define a quorum as a majority; however, TDLCB Bylaws define a quorum as six (6) voting members, and the TDLCB Bylaws take precedence over ROR
- ✓ **Virtual Voting:** Virtual members may only vote when there is a physical quorum; they can not be counted towards the quorum
- ✓ **Silence:** Silence means consent and a “yes” vote

17

Voting

Members must abstain when there is, or appears to be, a possible conflict of interest:

- ✓ **Conflict of Interest:** Special private gain or loss which means an economic benefit or harm could result; relatives
- ✓ **Form 8B, Memorandum of Voting Conflict:** conflict of interest should be disclosed prior to or at the meeting where the vote will take place; Form 8B must be filled out within 15 days of abstaining from a vote

COMMISSION FOR THE TRANSPORTATION DISADVANTAGED

RECEIVING AND INVESTIGATING REPORTS OF ADVERSE INCIDENTS RELATED TO PARATRANSIT SERVICES PROVIDED TO PERSONS WITH DISABILITIES

MODEL PROCEDURES

INTRODUCTION

Section 427.021, Florida Statutes, directs the Commission for the Transportation Disadvantaged (CTD) to establish “model procedures” for local governments and transportation service providers to receive and investigate reports related to adverse incidents that occur during the provision of paratransit services. This document provides a model to assist local governments and their contracted transportation service providers in developing and implementing procedures within their own paratransit operations.

STATUTORY LANGUAGE

Chapter 2024-171, Laws of Florida, creates Section 427.021, Florida Statutes, which provides:

- (1) For purposes of this section, the term “transportation service provider” means an organization or entity that contracts with a local government to provide paratransit services to persons with disabilities. This term does not apply to the department.¹
- (2) The Commission for the Transportation Disadvantaged shall establish model procedures for transportation service providers to receive and investigate reports related to adverse incidents during the provision of services to persons with disabilities. The procedures must include a periodic review of ongoing investigations and documentation of final outcomes thereof. At a minimum, the investigation of an adverse incident must commence within 48 hours after receipt of the report.
- (3) Reports of adverse incidents received by the local government or the transportation service provider shall be submitted on a quarterly basis to the Commission for the Transportation Disadvantaged.

Section 427.011(9), Florida Statutes, defines “paratransit” as “those elements of public transit which provide service between specific origins and destinations selected by the individual user with such service being provided at a time that is agreed upon by the user and provider of the service. Paratransit service is provided by taxis, limousines, ‘dial-a-ride,’ buses, and other demand-responsive operations that are characterized by their nonscheduled, nonfixed route nature.”

¹ “Department” refers to the Florida Department of Transportation
12/11/2024

PROCEDURES GUIDANCE

Pursuant to s. 427.021, F.S., each transportation service provider (henceforth referred to as “provider”) should develop and implement procedures regarding the receipt and investigation of adverse incidents that occur during the provision of paratransit services to persons with disabilities. The procedures should:

1. Describe the reporting mechanisms the public can utilize to report adverse incidents to the provider.
2. Describe the process used by the provider to monitor those reporting mechanisms for incoming reports. The provider should ensure that reporting mechanisms are monitored regularly to allow the provider to begin an investigation of an adverse incident as soon as possible.
3. Describe how the reporting mechanism is promoted to the public, including, at a minimum, to be displayed on the provider’s website and displayed on vehicles.
4. Describe the provider’s expectations of personnel (i.e., drivers, operators, leadership, etc.) when a report of an adverse incident is received, including documenting and internally sharing the report.
5. Identify how the provider trains its personnel to receive, document, share, investigate, and follow-up on reports of adverse incidents. The provider should document the content of the training, who receives the training and when, and maintain that documentation for a set period of time. The provider should assess the need for periodic refresher training.
6. Identify how a provider stores documentation related to reports, including the assigning of a tracking number for each report of an adverse incident and the retention period of documentation.
7. Identify the provider’s personnel (such as an “Adverse Incident Manager”) responsible for investigating reports of adverse incidents, documenting the investigation, reviewing the investigation, closing the investigation, and transmitting the reports to the CTD on a quarterly basis.
8. Include a statement that an investigation must commence within 48 hours of receipt of the report and include a requirement that the provider periodically review ongoing investigations.
9. Include a policy that requires the provider to review any available video, recordings, or photographs to establish facts surrounding a reported adverse incident.
10. Require the identification of causal and contributing factors that led to an adverse incident. Causal and contributing factors should be documented in the investigation report.
11. Require that the provider identify, and document mitigations taken to eliminate factors that contributed or caused an adverse incident.
12. Require that the provider document actions taken by the provider’s personnel during and after the adverse incident.
13. Require the provider document any corrective actions and their timelines that the provider identifies in response to an adverse incident.

REQUIRED QUARTERLY REPORTING:

The provider must compile documentation and summarize information for each reported adverse incident and complete the Commission for the Transportation Disadvantaged Adverse Incident Report form (attached). Exclude names and personal information, providing only information regarding the incident and any following action as needed. An Adverse Incident Report must be submitted for each qualifying incident.

Adverse Incident Report forms must be submitted to the CTD no later than the last day of the month following the end of the quarter. The first report due is for the quarter of January 1 through March 31, 2025, which must be submitted to the CTD no later than April 30, 2025. Reports should be emailed to: FLCTDAdverseIncidentReport@dot.state.fl.us.

Good afternoon Everyone,

We have been informed that FDOT Transportation Day at the Florida Capitol had been cancelled due weather conditions. This should not impact anyone who has scheduled meetings at the Capitol, however, we suggest you contact legislative staff to confirm your appointments. We look forward to clearer skies and better weather next year.

Thank you,

Subject: 2025 Legislative Day at the Capitol

Good afternoon everyone,

This year, CTD will not be hosting its own Legislative Awareness Day. Instead, we will be participating in the Department of Transportation's Legislative Day at the Capitol, on February 19th, from 10:00 am to 2:00 pm. Along the TD program, various FDOT departments will be showcased. Please note, due to construction at the Capitol Courtyard, the event will be held in front of the House of Representatives Building, facing North Monroe Street and space will be limited. In addition to this

event, don't forget, there are many opportunities for advocates to visit with their legislators throughout the legislative session.

Thank you for your continued support of Florida's Transportation Disadvantaged Program!

Volusia-Flagler Transportation Planning Organization (TPO) Kicks Off Safe Streets and Roads for All (SS4A) Vision Zero Comprehensive Safety Action Plan

The Volusia-Flagler TPO recently announced that the TPO, in partnership with Volusia and Flagler Counties as joint applicants, was a recipient of a federal SS4A grant of \$320,000 to develop a Comprehensive Safety Action Plan (CSAP) which will identify projects, programs, and implementable strategies aimed at eliminating fatalities and serious injuries for all modes of travel on our roadways.

The TPO has begun work with its consultant VHB, Inc., to develop a Vision Zero Comprehensive Safety Action Plan (CSAP) through a collaborative effort which will include a robust community outreach campaign engaging the public and community stakeholders throughout the process to collect diverse input and ensure equitable representation across the two-county region.

Currently, a Vision Zero CSAP Task Force Working Group is being assembled which includes local law enforcement partners, local businesses, community leaders, FDOT, city and county staff, and TPO advisory committee members, among others. Three community workshops are currently being planned to educate and request public feedback on maps that reflect the results of the safety analysis; dates will be announced in the coming days.

Once complete in June 2025, the CSAP will provide a detailed and collaborative assessment of transportation safety issues in Volusia and Flagler Counties and identify feasible safety improvements for targeted risk areas on the roadway network.

“While we continue to make our roads safer through education, project prioritization, and programming, we must take further action and work collectively with our member governments, agency partners, community stakeholders, and the public to develop an inclusive safe system approach to roadway safety,” said Ms. Colleen Nicoulin, Volusia-Flagler TPO Executive Director. “This grant provides the TPO with the opportunity to take the next step by developing a Vision Zero Action Plan for our communities that will serve as a roadmap in leading us to an ultimate vision of zero fatalities and serious injuries on our transportation system.”

Information and updates on the CSAP are available at www.vftpo.org/public-involvement/vision-zero/.

Where Do Our Transportation Projects Get Started?

Most of them begin in our region's Long Range Transportation Plan.

The Volusia-Flagler Transportation Planning Organization (TPO) is developing our region's next Long Range Transportation Plan (LRTP), *Volusia-Flagler 2050*. The LRTP is a plan that defines the future transportation needs for Volusia and Flagler counties. Once completed and adopted later this year, *Volusia-Flagler 2050* will replace *Connect 2045*, the TPO's current LRTP.

Volusia-Flagler 2050 is being developed to:

Identify

future needs and improvements for all modes of transportation

Guide

the expenditure of transportation funds

Ensure

new transportation improvements meet community values

Prioritize

transportation projects

Promote

safe and efficient transportation services

The LRTP process includes:

What is Our Transportation Vision?

The following goals have been established to guide the development of *Volusia-Flagler 2050*:

Multimodal

Develop and maintain a balanced and efficient multimodal transportation system

Economic Development

Support the economic development and growth of the TPO area and region

Connectivity

Enhance and expand transportation connectivity and choice for all users

Safety

Eliminate crash-related fatalities and serious injuries and improve safety and security throughout the transportation network

Livability

Promote livability through a multimodal transportation system that fosters quality communities and protects natural resources

Involvement

Promote equity, transparency, and opportunities for the public to be involved with their transportation system

How Do I Get Involved?

The development of *Volusia-Flagler 2050* will include a variety of virtual and in-person opportunities to follow the progress of the plan and provide your input.

Visit the TPO website and follow our social media channels for information on upcoming LRTP events and to submit comments.

What is the Volusia-Flagler TPO?

The Volusia-Flagler Transportation Planning Organization (formerly the River to Sea TPO) is the agency responsible for planning and programming federal and state transportation funds for Volusia and Flagler counties. Learn more about the TPO at: www.vftpo.org

LRTP Public Open Houses

The Volusia-Flagler Transportation Planning Organization (TPO) is developing our region's next Long Range Transportation Plan (LRTP), Volusia-Flagler 2050.

The LRTP is a plan that defines the future transportation needs for Volusia and Flagler Counties.

We invite you to share your input on transportation in Volusia and Flagler Counties at one of the following Public Open Houses
