B. Presentation and Discussion of the Volusia-Flagler TPO’s Vision Zero Action Plan

Ms. Roberta Fennessy, VHB, gave a PowerPoint presentation on updates to the Volusia-Flagler TPO’s Vision Zero Action Plan.

Ms. Katie Shannon, VHB, stepped in to provide a summary of the safety analysis and the High Injury Network (HIN). She analyzed the data collected regarding crash severity, crashes by type, behavioral factors, location, lighting condition, and related data regarding helmet use.

Ms. Fennessy followed up by discussing the equity analysis overview, policy review, and next steps for the plan development. She announced a public workshop on April 17th in Palm Coast and the Central Florida Safety Summit on May 9th at the Daytona International Speedway.

Chairperson Mendez referenced Complete Streets, a transportation approach that prioritizes the needs of all users. It was noted that this plan is a prerequisite for SS4A implementation funding.

C. Update on the 2025 Annual Call for Projects

Ms. Nicoulin reviewed the process of the Annual Call for Projects, stating that the deadline to submit new projects closed on March 31st, and the applications received are being reviewed by the BPAC Project Review Subcommittee and Transportation Improvement Program (TIP) Subcommittee, which will then be incorporated into the new list of priorities and given to the Florida Department of Transportation to use in the development of the Work Program. She advised the committee members who submitted applications to check and see if the application is included in the list, and if it is not, to let TPO staff know as soon as possible.

D. FDOT Report

Ms. Powell reviewed the FDOT report. She also announced an inaugural transportation industry hiring event on April 30th at Osceola Heritage Park, the FDOT’s Central Florida Safety Summit taking place at the Daytona International Speedway on May 9th, and Work Zone Awareness week starting April 21st.

E. Volusia and Flagler County Construction Reports

The Volusia County and Flagler County Construction Reports were provided in the agenda.

5. Staff Comments

Ms. Nicoulin gave an update regarding the TPO’s office relocation, stating that TPO staff will be moved into the new office location by the end of April, however, the committee and board meetings will continue to meet in the Airline Room at the airport through June.

6. TCC Member Comments

Mr. Heseler introduced his new alternate, Mr. Siva Persad.
