Prior Year Cost: \$0

Future Year Cost: \$0

Total Project Cost: \$255,112

Project Description: Install Opticom traffic signal preemption devices at nineteen (19) signalized intersections throughout the city. This improvement will allow emergency responders to control the traffic signal systems to navigate safely through intersections. The TPO's support for safety projects is expressed on pages 11, 56, 63, and 64 of the 2040 LRTP.
