C. Review and Recommend Approval of Resolution 2026-## adopting the Volusia-Flagler TPO 2026 List of Prioritized Projects (LOPP)

Ms. Nicoulin explained the purpose of the LOPP and explained that the first three lists of projects come from the 2050 LRTP. She explained the changes including deletions and updated cost estimates. Some minor changes have been made since the prior month but the rankings remain the same.

Members discussed a project on Old Mission Road in Edgewater and how this project is titled and included in the LOPP. Ms. Nicoulin stated that the project would need to be coordination between Edgewater and New Smyrna Beach because of the location.

Ms. Power added that trucks are taking Glencoe Road to get into Parktown Industrial Park; a right lane on SR 44 to Mission Road would be an effective precursor to the project. Ms. Karl added that FDOT has said they will be adding the lane and putting it in. Ms. Nicoulin noted she would follow up.

Chairperson Feldman stated that he received a request from Bunnell Police Chief Brannon regarding expediting the installation of a traffic signal project on SR 100 and Commerce Parkway in Bunnell.
