Re: **TRIP Funds**

Dear Ms. ^{Lois}Bollenback:

Volusia County confirms that we have matching local funds for any project that will be funded with state TRIP funds. We also confirm that we are the agency sponsor for the attached list of TRIP-Eligible Projects.

We would ask that the Florida DOT only consider the following four (4) projects ranked by priority at this time:

1. Howland Blvd (widen to 4 lanes) from Providence Blvd to Elkcam Blvd
2. Hand Ave (widen to 4 lanes) from Clyde Morris Blvd to SR 5A/Nova Rd
3. Joesphine St (widen to 4 lanes) from Old Mission Rd to Tatum St
4. W Volusia Beltway (Veterans Memorial Parkway)(widen to 4 lanes) from Graves to south of Rhode Island (northerly property line of Parc Hill Development)

Finally, if you or the Florida DOT have any questions or need additional information (e.g. updated cost estimates), please contact Tadd Kasbeer (County Engineer). His number is 386-736-5967. Thank you.

Sincerely,

State law and Florida Department of Transportation Guidelines provide that FDOT may fund with TRIP funds only projects meeting certain eligibility criteria, including those projects which:

- Serve national, statewide or regional functions and function as part of an integrated regional transportation system;
- are identified in the capital improvements element of the applicable government comprehensive plan;
- **are included in the MPO LRTP**, the State Transportation Improvement Program and the MPO's TIP [emphasis added];
- are consistent with the Strategic Intermodal System Plan;
- are in compliance with local corridor management policies; and
- have commitment of local, regional, or private matching funds.

This list of TRIP-eligible projects includes all projects identified in the River to Sea TPO's 2040 LRTP except those listed in Table 28 – 2040 LRTP SIS Cost Feasible Projects List (State/Federal Funding). More particularly, this draft list includes all projects identified in Table 29 – 2040 LRTP Other Arterial Cost Feasible Projects List (State/Federal Funding), Table 30 – Local (Volusia County) Projects, or Table 22 – Candidate Project Needs Scoring Matrix (As Approved by LRTP Subcommittee Meeting (6-12-15)).

The order in which projects are listed is not intended to indicate priority.
