IV. Action Items

- E) Review and recommend approval of Resolution 2015-## identifying US 17/92 as the preferred alternative connection for the Coast to Coast Trail between Seminole and Volusia Counties

Background Information:

Last August, representatives from FDOT presented alternatives for a permanent connection of the Coast to Coast Trail between Seminole and Volusia Counties (also known as the Seminole/Volusia Gap). Four alternatives were presented. One of the alternatives utilized I-4 to cross the St. Johns River, while the other three alternatives utilized US 17/92. BPAC Representatives from Volusia County have voiced support for an alignment utilizing US 17/92. It is not clear whether the alignment along US 17/92 will include a separate trail bridge. Draft Resolution 2015-## identifying US 17/92 as the preferred alternative connection for the Coast to Coast Trail between Seminole and Volusia Counties is provided with this agenda packet for your review.

Action Requested:

Motion to recommend approval of Resolution 2015-## identifying US 17/92 as the preferred alternative connection for the Coast to Coast Trail between Seminole and Volusia Counties
