1. Call to Order / Roll Call / Determination of Quorum/Pledge of Allegiance

TDLCB Chairperson Reinhart called the meeting of the Volusia-Flagler Transportation Planning Organization (TPO) Transportation Disadvantaged Local Coordinating Board (TDLCB) to order at 10:00 a.m. The roll was called, and it was determined that a quorum was physically present. The meeting was held in a hybrid format with nine voting members physically present and one voting member virtually present.

The Pledge of Allegiance was given.

2. Public Comment/Participation

Mr. Scott Larson, citizen, discussed his experiences regarding long wait times with VoTran's customer service, an issue receiving emails despite being on the email list, confusion over the VoTran app, and a request for more Sunday service. Ms. King stated that VoTran's phone system is being revamped and new prompts and AI assistance will allow for shorter wait times. She stated that Sunday service is still in the greater Daytona area, but there are no funds available to increase the service. They will be transforming fixed-routes in that area to VoRide in October and she remarked that there are no eligibility requirements to ride VoRide which is a curb-to-curb service.

Chairperson Reinhart stated that the Volusia County Council has discussed this issue and how it interrelates to the property tax changes. He expressed his concern over the issue.

Ms. Tyson expressed some issues with disclosing disabilities through the app and stated that drivers should be aware of certain disabilities to be able to assist. Ms. Milroy directed Ms. Tyson to the "info" button on the app where users are able to write notes that the driver is able to see.

Ms. Tyson stated she loves the app but it does not always allow her to schedule a timely return trip. Ms. Milroy stated she will look into the issue.

Ms. Tyson sought resolution for a recent issue with a driver failing to pick up customers for their scheduled trips due to a technological issue. Ms. Milroy stated she would get more information and look into the situation.

Ms. Blankenship stated that a TDLCB member signed in to the meeting virtually, therefore a motion to allow remote participation is necessary.

MOTION: *A motion was made by Ms. Tyson to allow TDLCB members attending virtually to participate and vote. The motion was seconded by Mr. Harden and carried unanimously.*

3. Action Items

A. Review and Approval of the April 8, 2026 TDLCB Meeting Minutes

MOTION: *Mr. Olson moved to approve the April 8, 2026 TDLCB meeting minutes. The motion was seconded by Mr. Harden and carried unanimously.*

B. Review and Approval of the VoAccess Monthly Paratransit Reports

Mr. Heseler reviewed the VoAccess Monthly Paratransit Reports for the months of February through April. He noted that no-shows are down by 4% but cancellations are up significantly due to learning curves with the new app.

MOTION: *Ms. Tyson moved to approve the VoAccess monthly paratransit reports. The motion was seconded by Mr. Olson and carried unanimously.*

C. Review and Approval of the FY 2026-27 Transportation Disadvantaged Rate Model Worksheet

Mr. Harris stated that the Quality Assurance Committee recommended approval for these rates earlier today. Comparable rates for last year are listed for reference purposes.

MOTION: *A motion was made by Mr. Colon to approve the FY 2026-27 Transportation Disadvantaged Rate Model Worksheet. The motion was seconded by Mr. Juengst and carried unanimously.*

D. Review and Approval of the 2026 TDLCB Bylaws

Mr. Harris explained that there are no major changes to the Bylaws; only dates have been changed.

MOTION: *A motion was made by Mr. Colon to approve the 2026 TDLCB Bylaws. The motion was seconded by Mr. Santiago and carried unanimously.*

4. Presentations and Discussion Items

A. Presentation and Discussion of Major Updates to VoTran's Transit Development Plan (TDP) and Transportation Disadvantaged Service Plan (TDSP)

Ms. Sarah Goolsby, Benesch, explained that VoTran has begun working on the five-year TDSP. She introduced the TDSP's purpose, the TDLCB's role in the development of the plan, where they are in the process of development, and the next steps. She explained what to expect to see in October with the approval of the plan. She provided links to the online survey which will be open through July and the virtual room which will be open throughout the span of the project.

Chairperson Reinhart asked if any specific municipalities have been reached out to. Ms. Goolsby stated that specifically Volusia County had been spoken to.

Mr. Williamson asked if the websites are accessible to the blind via a screen reader. Ms. Goolsby stated that she would look into that; the documents were ADA-accessible, but she was not sure if everything else was.

Ms. Maria Borgen thanked VoTran and expressed her reliance on the service.

Ms. Goolsby discussed the needs assessment and public outreach. Ms. King expressed the challenge of meeting a growing need for TD service with the same amount of funding.

Ms. Goolsby verbally provided the links to the online survey and virtual room.

B. Presentation and Discussion of Service Changes to VoTran and VoRide

Ms. King gave an update on the upcoming VoTran and VoRide changes including the frequency of routes three, four, and eleven going from every thirty minutes to every hour, and the elimination of Sunday service except for Daytona Beach. She described the public outreach efforts; press releases, public meetings, and comment cards, and stated that many of the changes will go into effect beginning on June 28th.

Chairperson Reinhart referred to the June 16th Volusia County Council meeting and expressed appreciation for VoRide acting as a solution to the decreased funding. He noted that it had been a difficult vote.

Mr. Heseler noted that Route 15 also went from 30 to 60 minutes due to its connection to other routes that have decreased frequency.

5. Staff Comments

Mr. Harris stated that volunteers are requested for TDP and TDSP stakeholder meetings today after the TDLCB meeting.

6. TDLCB Member Comments

Mr. Harden stated that the print on some bus stops signs along US-1 have faded and become difficult to read. Mr. Heseler stated that staff is in the process of replacing signs.

Presentation and Discussion of FY 2025/26 TPO Community Outreach

Contact: Pamela Blankenship, PBlankenship@vftpo.org

SUMMARY BACKGROUND:

A key responsibility of the Volusia-Flagler TPO is community involvement and outreach in the transportation decision-making process. This involves developing various strategies to engage the community, including posting information on the TPO website (www.VFTPO.org), Facebook page (www.Facebook.com/RivertoSeaTPO), and X page (www.X.com/TelltheTPO), as well as attending community meetings and giving presentations to organizations. Another component of the outreach program includes participation in community events, providing bicycle/pedestrian/driver safety training to the community, fitting and donating new bicycle helmets for children and adults, and distributing documents and promotional safety items.

TPO staff will provide an overview of the community involvement and outreach efforts that occurred during the last fiscal year.

Good morning,

Just sending out a reminder that the Career, Technology and Training Center for the Blind & Visually Impaired is hosting the upcoming annual White Cane Awareness Day event on **October 15th at 408 White Street in Daytona Beach. The time for the event will be 10am-1pm**, with the ceremony beginning at 11:30. We're still waiting, but we should have official promotional items (i.e., flyers) to circulate very soon for social media.

In addition to this year's White Cane Awareness Day, the Division of Blind Services is also celebrating our 85th anniversary during the same event. We will be having free hors d'oeuvres (finger foods) and refreshments at our campus Dining Hall for all guests, and an open house of the campus during the event. We plan on having a number of guests from various community partners, and accessible technology companies on-site to demonstrate their products. We're also hosting the Florida Rehab Council f/t Blind during the same time, which is offering their open public forum on campus during the same day after the event. So please stop by and spread the word to anyone you might think would be interested.

Any questions, let me know.

RE: Application of the County of Volusia d/b/a VoTran for the FY26 Grants for Buses and Bus Facilities Infrastructure Programs - FTA-2026-010-TPM-BUS and FTA-2026-011-TPM-LWNO

Dear Ms. Wiard-Bauer,

On behalf of the Volusia-Flagler Transportation Planning Organization (TPO), I would like to express our support for VoTran's application to the FY26 Grants for Buses and Bus Facilities Infrastructure Programs. VoTran's proposal seeks funding for the replacement and improvement of their current transportation transfer facility.

The Volusia-Flagler TPO recognizes the importance of sustainable and environmentally friendly transportation solutions, and we believe that the replacement of the transportation transfer facility to accommodate the enhanced use of rideshare and park and ride opportunities aligns with our shared goals of providing multi-modal transportation connectivity. By investing in facilities that support reduced emissions, air quality improves and contributes to the overall well-being of our community.

The Volusia-Flagler TPO is supportive of this project and believes it will have a positive impact on public transportation service within Volusia County.

If you have any questions or need additional information, please feel free to contact us.

Respectfully,

City of South Daytona Councilman Eric Sander

RE: Application of the County of Volusia d/b/a VoTran for the FY26 Innovative Coordinated Access and Mobility (ICAM) Program - FTA-2026-012-TPM-ICAM

Dear Ms. Buchanan,

On behalf of the Volusia-Flagler Transportation Planning Organization (TPO), I would like to express our support for VoTran's application to the FY26 Innovative Coordinated Access and Mobility (ICAM) Program.

VoTran's proposal seeks funding to provide trips to transportation disadvantaged (TD) riders on VoRide, Volusia County's on-demand rideshare public transit service. With ICAM program funding, eligible TD riders will have the opportunity to have first claims on reserving on-demand rides on public transportation for spontaneous, unexpected trips. The proposal provides additional flexibility to TD riders who are currently scheduling local trips seven (7) days in advance. These funds are crucial to enhance the ability of TD riders to obtain trips when needed.

The Volusia-Flagler TPO recognizes the vital role that Volusia County Transit Services Division plays in providing essential transportation services to our communities. Maintaining a reliable and modernized transportation network is paramount to meeting the evolving needs of our residents and visitors, enhancing mobility options, and reducing environmental impacts.

The Volusia-Flagler TPO is supportive of this project and believes it will have a positive impact on public transportation service within Volusia County.

If you have any questions or need additional information, please feel free to contact us.

Respectfully,

City of South Daytona Councilman Eric Sander
Volusia-Flagler TPO Board Chairperson

FLAGLER COUNTY BACK TO SCHOOL JAM

On August 1st, the TPO teamed up with the Flagler County Community Traffic Safety Team (CTST) to host a table at the annual Flagler County Back to School Jam. Sharing information on bicycle, pedestrian and e-bike safety, we engaged families in conversations aimed at encouraging safe back to school travel for kids and parents. This well-attended event is always a busy one. Attendees were encouraged to take safety items such as bicycle lights, reflective bags and safety vests, and first aid kits along with informational safety flyers.

BICYCLE RODEO & HELMET FITTING

The TPO joined with numerous organizations on August 7th during the Meet the Teacher event at Bunnell Elementary School to give young students an opportunity to test their biking skills by participating in a bicycle rodeo; but first, students were properly fitted for new helmets. Helping to fit helmets were The Bike Men of Flagler County, while the Bunnell Police Department oversaw the bike rodeo. Also helping out were Flagler County Commissioner Andy Dance and Bunnell Commissioner John Rogers.
