DATE AND TIME:

4:30 p.m. - 6:30 p.m.

The Florida Department of Transportation (FDOT) is holding an open house on January 16, 2020 from 4:30 p.m. to 6:30 p.m. to present plans for constructing a SUN Trail shared-use path along South Palmetto Avenue from Ridge Boulevard to Beville Road.

The intent of the project is to close a gap in the St. Johns River to Sea Loop trail.

The path is being developed as part of the state's Shared-Use Nonmotorized (SUN) Trail program, which provides funding to help create a statewide system of paved multi-use trails for bicyclists and pedestrians.

The South Palmetto Avenue trail segment will be 10 to 12 feet wide and be separated from the road by a grassed buffer. The trail will replace the existing concrete sidewalk on the east side of the road until reaching Beville Road where it will cross South Palmetto Avenue and connect to the existing trail on the west side of the road entering Daytona Beach.

During the open house, attendees will have an opportunity to review project displays, speak with project team members, and watch a short video presentation that will run on a continuous loop. There will not be a formal presentation.
