

# Join Us! Active Transportation for ALL Workshop

## Active/Sustainable/Intermodal Transportation for a Better Future

The St Johns River-to-Sea Loop Alliance is pleased to invite elected officials, professionals, and representatives of communities and organizations in Volusia County for a full day of education and discussion to improve and increase active, equitable transportation.

- Learn how active transportation can benefit your community.
- Learn the state of active transportation in Volusia County.
- Explore transportation innovations, designing for safety, and success stories.
- Share ideas about investing in cycling, pedestrian trails, and infrastructure.
- Learn about federal, state, and local funding opportunities.
- Be empowered to take the next steps to provide safe, equitable, and economically viable active transportation options in your community!
