FLAGLER COUNTY BACK TO SCHOOL JAM

On August 1st, the TPO teamed up with the Flagler County Community Traffic Safety Team (CTST) to host a table at the annual Flagler County Back to School Jam. Sharing information on bicycle, pedestrian and e-bike safety, we engaged families in conversations aimed at encouraging safe back to school travel for kids and parents. This well-attended event is always a busy one. Attendees were encouraged to take safety items such as bicycle lights, reflective bags and safety vests, and first aid kits along with informational safety flyers.

BICYCLE RODEO & HELMET FITTING

The TPO joined with numerous organizations on August 7th during the Meet the Teacher event at Bunnell Elementary School to give young students an opportunity to test their biking skills by participating in a bicycle rodeo; but first, students were properly fitted for new helmets. Helping to fit helmets were The Bike Men of Flagler County, while the Bunnell Police Department oversaw the bike rodeo. Also helping out were Flagler County Commissioner Andy Dance and Bunnell Commissioner John Rogers.

VoTran Document Updates

VoTran is in the process of updating its Transit Development Plan (TDP) and Transportation Disadvantaged Service Plan (TDSP). There will be numerous outreach events planned over the course of the next year as these plans are developed. To learn more about the TDP & TDSP process as well as to get more information on the outreach activities see the links below:

PMR² Community Care Day

On August 13, the TPO participated in Progressive Medical Research's Community Care Day at their PMR² Community Outreach Center in Daytona Beach. Partnering with Halifax Urban Ministries, ReNew Recovery Cafe, Volusia Recovery Alliance, and many others, the event that occurs every Thursday brings hot meals, clothing, haircuts, safety items, ID cards, and much more to those who need a helping hand. The TPO provided bicycle lights, reflective safety vests, med kits, and more to those in need of them. The premise behind this day is that outreach is transformational; every act of service builds trust, restores dignity, and creates healthier communities.
