TPO Partnership with the Volusia County Public Library and Volusia Sheriff's Youth Foundation

The Volusia County Public Library recently raffled a number of refurbished bicycles donated by the Volusia Sheriff's Youth Foundation. Each bicycle came equipped with one bike lock (courtesy of the Friends of the Daytona Beach Library or the Friends of the Ormond Beach Regional Library) and a free helmet and/or voucher courtesy of the River to Sea TPO. The raffle was geared toward individuals in grades 6-12 and winners were announced on Thursday, August 24. Prizes were claimed the week of August 28, 2023. Several additional refurbished bicycles from the Sheriff's Youth Foundation were used in conjunction with the Volusia County Public Library's Social Worker in the Library program in support of local adults re-entering the workforce. Bicycle helmets are also being provided for these recipients. For more information about this program, [click here](#). On August 28 and 31, the River to Sea TPO staff properly fit and donated helmets to the recipients of the bicycles at the John H. Dickerson Library and the Hope Place Public Library.
