RE: **Clyde Morris Boulevard (SR 483) Widening Project**
From south of Beville Road to Mayberry Avenue
Volusia County
Financial Project ID: 408178-1-52-01

Dear Stakeholder:

On behalf of the Florida Department of Transportation (FDOT), I wish to invite you to an upcoming public information meeting about planned capacity improvements to Clyde Morris Boulevard (SR 483). The project includes widening the roadway from four-to-six lanes, construction of a raised curbed median, curb and gutter, and sidewalks. The project extends from south of Beville Road to Mayberry Avenue in the City of Daytona Beach.

The meeting is Tuesday, March 22 at the Embry Riddle Aeronautical University's Willie Miller Instructional Center Auditorium, 600 South Clyde Morris Boulevard, Daytona Beach. It begins at 5 p.m. with an informal open house. Brief presentations are at 5:30 p.m. and 6:30 p.m. The meeting adjourns at 7 p.m. Staff members are also available to discuss the project and answer any questions you may have. The project is currently in the design phase. Design is scheduled for completion in the summer of 2012. Right-of-way and construction are not currently funded in the Five Year Work Program.

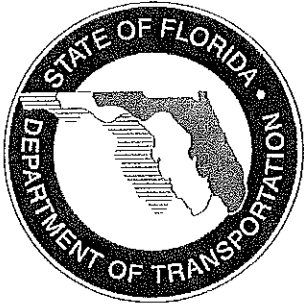

I invite your participation and welcome your comments on the proposed capacity improvements. Public participation is solicited without regard to race, color, national origin, age, sex, disability, or family status.

Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Mrs. Rebecca Zawadski, Public Information Coordinator, Ghyabi & Associates, 1459 North US Highway 1, Ste. 3, Ormond Beach, Florida 32174; telephone 386-677-5499 ext. 246; or by e-mail rzawadski@ghyabi.com at least seven days prior to the meeting.

If you have any questions, please do not hesitate to contact me at 386-943-5255 david.cooke@dot.state.fl.us. You may also view information on the project at www.cflroads.com.

Sincerely,

David J. Cooke

Public Information Meeting

DATE: Tuesday, March 22, 2011

TIME: 5 pm - 7 pm

PLACE: Embry Riddle Aeronautical University

Willie Miller Instructional Center Auditorium
600 South Clyde Morris Boulevard (SR 483)
Daytona Beach, FL 32114

The Florida Department of Transportation (FDOT) is holding a Public Information Meeting for Clyde Morris Boulevard (SR 483) from south of Beville Road (SR 400) to Mayberry Avenue. The project includes widening the roadway from four-to-six lanes, and the construction of grassed medians throughout the corridor. Full median openings remain at the traffic signals and directional median openings will occur throughout the project. There are right-of-way impacts. The safety and capacity improvements are expected to reduce crashes and improve traffic flow on this corridor.

FDOT invites you to attend a public information meeting addressing this project. We are seeking the participation of interested citizens, as well as business and property owners within, and near, the project limits. The public meeting is Tuesday, March 22 at the Embry Riddle Aeronautical University's Willie Miller Instructional Center Auditorium (see other side). The meeting begins with an open house at 5 p.m. and includes brief presentations at 5:30 p.m. and again at 6:30 p.m. The meeting concludes at 7 p.m. Information regarding the roadway design is available at the meeting and so are FDOT personnel and consultants to discuss the improvements, and answer any questions you may have.

Your input is very important during this process. We encourage you to attend and learn more about the project. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the ADA, or persons who require translation services (which can be provided free of charge) should contact: Rebecca Zawadski, EI at Ghyabi & Associates, 1459 North US Highway 1, Ste. 3, Ormond Beach, Florida 32174, Telephone 386-677-5499 ext.246, Fax 386-677-5194, e-mail rzawadski@ghyabi.com. You may also view information on the project at www.cflroads.com. For additional information concerning the project, please contact David Cooke, the FDOT Project Manager at 386-943-5255 or via email at david.cooke@dot.state.fl.us.
