Project Description:

This is a new project being added to the Work Program system due to public comments on the location of the Spring to Spring Trail on the southern end of project FM#439039-2. It was decided that FM#439039-2 would be deleted and a new project (FM#439039-5) would be created. The DeBary Plantation neighborhood expressed their objection to the trail abutting their neighborhood common grounds. Volusia County and the City of DeBary have coordinated and agreed that the trail should be redesigned at a later date in a location away from the DeBary Plantation property.
