## Interstate 95 (I-95) Work Continues/Updates

---

**Daytona Beach**— The Florida Department of Transportation is reminding motorists of closures as part of the I-95 Widening and Systems Interchange project in Daytona Beach.

Interstate 95 (mainline I-95) is closing both directions overnight Wednesday, September 19 and Thursday, September 20, each night from **10 p.m. to 6 a.m.** The closures occur at a different location each night. **Specific times and details are explained below.**

### **Wednesday, Sept. 19 – 10 p.m. to 6 a.m.**

#### **I-95 Closed in Both Directions from International Speedway Blvd. to State Road (S.R.) 421**

- Northbound I-95 motorists will exit at S.R. 421, and use Williamson Blvd. and International Speedway Blvd. to go back to I-95.
- Southbound I-95 motorists will exit at International Speedway Blvd., and use Williamson Blvd. to S.R. 421 to go back to I-95.

### **Thursday, Sept. 20 – 10 p.m. to 6 a.m.**

#### **I-95 Closed in Both Directions from International Speedway Blvd. to Interstate 4 (I-4)**

- Northbound I-95 motorists will exit at S.R. 421, and use Williamson Blvd. and International Speedway Blvd. to go back to I-95.
- Southbound I-95 motorists exit at International Speedway Blvd., and use Williamson Blvd. to S.R. 421 to go back to I-95.

In addition, ramp closures are currently underway.

**Entrance ramp from westbound Beville Road to southbound I-95 and the exit ramp from northbound I-95 to westbound I-4 is closed day and night (continuously) for three weeks-- this started Tuesday, September 18 and lasts until 6 a.m. Tuesday, October 9.**

- Northbound I-95 traffic headed to westbound I-4 will continue north on I-95 to westbound U.S. 92 to the I-4 on ramp. Beville Road traffic may take Williamson Boulevard south to S.R. 421 to access southbound I-95.
- The westbound Beville Road ramp to westbound I-4 will be open.

Please note construction schedules may change due to weather or other circumstances, and if this happens, the closures may be rescheduled.

**Updates will be available on the Florida Department of Transportation's Central Florida website, <http://www.CFLRoads.com>.**

Media inquiries should be directed to the FDOT Communications Office at (386) 943-5479 or [d5-pio@dot.state.fl.us](mailto:d5-pio@dot.state.fl.us).

FDOT advises drivers to slow down and use extra caution in construction zones.
