RE: River to Sea Transportation Planning Organization’s (TPO) Transportation Improvement Program (TIP), Fiscal Years 2016/2017 to Fiscal Years 2020/2021

The Department has reviewed the River to Sea’s Transportation Improvement Program (TIP) for Fiscal Years 2016/2017 to Fiscal Years 2020/2021. Please see the amendments necessary for the Transportation Improvement Program as described below. The amendment includes corrections to projects already listed in the TIP as well as several new projects which appeared on the Florida Department of Transportation (FDOT) Adopted Work Program Report but was not included in the latest TIP provided to FDOT. Also included is the 2016 Roll Forward Report. Projects in this report should be included in the TIP if they are not already there. It is not necessary to include DIOH funds into the TIP. I have included the appropriate pages from the FDOT Adopted Work Program for FY 2017 to FY 2021 that also shows the needed changes.

Please note that the changes below should not be approved by the MPO/TPO Board until after October 1, 2016 when the new TIP goes into effect. Please call me if you should have any questions at 386-943-5150.
