## Nighttime Full Closure of I-95, Multiple Nighttime Ramp Closures at I-4/I-95 Interchange

---

**Volusia County** – Motorists in the Daytona Beach area need to be alerted to major roadwork that includes full closure of northbound and southbound Interstate 95 (I-95) as well as multiple nighttime ramp closures from eastbound I-4 to both northbound and southbound I-95. All are from 10 p.m. – 6 a.m., and are part of the I-95 widening and systems interchange project. The closures and posted detours are as follows:

**When: Monday, Oct. 22 – Wednesday, Oct. 24 (Thursday, Oct. 25 is a back-up date)**

**What: Ramp Closures from Eastbound I-4 to get on Northbound and Southbound I-95**

**How it will work:** Eastbound I-4 traffic is directed to exit onto Beville Road and take Williamson Boulevard north to ISB or south to S.R. 421 where northbound and southbound I-95 will be accessible.

**When: Thursday, Oct. 25**

**What: Full Closure Northbound I-95 from Beville Road to ISB**

**How it will work:** Northbound I-95 motorists are directed to exit at Beville Road and take Williamson Boulevard north to ISB to re-enter northbound I-95 or take Beville Road west to I-4.

**When: Thursday, Oct. 25**

**What: Full Closure Southbound I-95 from ISB to S.R. 421**

**How it will work:** Southbound I-95 motorists are directed to exit at ISB and travel west to I-4 or east to Williamson Boulevard south to S.R. 421 to re-enter southbound I-95.

Please note construction schedules may change due to weather or other circumstances. Updates are available on the Florida Department of Transportation's Central Florida website, <http://www.CFLRoads.com>.

Media inquiries should be directed to the FDOT Communications Office at 386-943-5479 or [d5-pio@dot.state.fl.us](mailto:d5-pio@dot.state.fl.us).

FDOT advises drivers to slow down and use extra caution in construction zones.
