

NATIONAL FEDERATION  
OF THE BLIND

Live the Life You Want

**Greetings,**

**We would like to cordially invite you to participate in a**

**“Low Vision Health Fair”**

**September 12, 2015 from 10:00 am until 2:00 pm**

**at the**

**DeLand Lions Club, 400 North Garfield Ave., DeLand 32724**

**(It's located on the corner of Michigan Ave. and Garfield Ave., right behind Stetson University).**

**This event is an opportunity to come and see what services are available for the blind & visually impaired. There will be booths covering transportation, SunRail and Votran, technology, visual aides, information on guide dogs, Newline, Talking Books Library, Division of Blind Services, and a special booth will be set up so you can become acquainted with the National Federation of the Blind. Come learn about how we got started, our philosophies and the services we have to offer.**

**We will cover such topics as accessibility, mobility, places where you travel, seniors with vision loss, blind veterans, parents of blind children, and where to acquire a free white cane.**

**If you are visually impaired, know someone who is visually impaired, or would just like to come and check us out, please join us. If you have any questions, feel free to call us at the numbers listed below. Spanish speakers are welcome. If you need ASL interpretation, please let us know in advance. Refreshments will be available for a donation.**

**Hoping to see you there,**

**Peter Cerullo, First Vice-President of the National Federation of the Blind of Florida, 386-265-2527**

**Wendy Wilson, President of the DeLand Lions Club, 386-738-1020.**
