## Community Event

You're invited to a community event on **TUESDAY, JULY 11, 2023** from **5:30 P.M. to 7:00 P.M.** at **The Casements, 25 Riverside Drive, Ormond Beach, FL 32176**

### PROJECT OVERVIEW

The Florida Department of Transportation (FDOT) is conducting a maintenance project for the segment of Nova Road / State Road (S.R.) 5A from Flomich Street to U.S. 1, a distance of approximately 3.91 miles. Maintenance projects provide FDOT an opportunity to resurface a roadway and make other minor improvements. The goal of this maintenance project is to rehabilitate the pavement while incorporating proposed safety improvements that can be implemented within the existing right of way.

As part of this effort, the Nova Road Coalition was formed to study the corridor, identify issues, and engage the local community in identifying solutions that improve safety for all users. With a focus on the key segment from south of Granada Boulevard (S.R. 40) to north of Wilmette Avenue, a distance of approximately 0.5 miles, the coalition is evaluating the following factors to identify improvements that can be incorporated into this maintenance project.

Safety

Speed Management

Pedestrian & Bicyclist Mobility
