

## FDOT Announces a Public Meeting

The Florida Department of Transportation (FDOT) will hold a public meeting for the SR 40 design project from SR 15/US 17 to west of SR 11 in Volusia County.

**Date:** Wednesday, August 26, 2015

**Time:** 5:30 p.m. to 7:00 p.m.

**Continuous Loop Presentation**

**Location:** Volusia Lodge No. 77 F & AM  
Pine Street and SR 40  
Barberville, Florida 32105

The meeting will be an open house from 5:30 p.m. to 7:00 p.m. with a continuous loop presentation. The purpose of this open house is to present the construction plans of this design project to the public. Project maps, drawings and other pertinent information will be on display for public review. FDOT staff and others associated with the project will be available to discuss the project and answer any questions.

### Directions:

Volusia Lodge No. 77 Free & Accepted Masons (F & AM) is located at Pine Street and SR 40 in Barberville. It is on the north side of SR 40, about 1/4 mile east of SR 15/US 17 between Pine Street and Church Street.

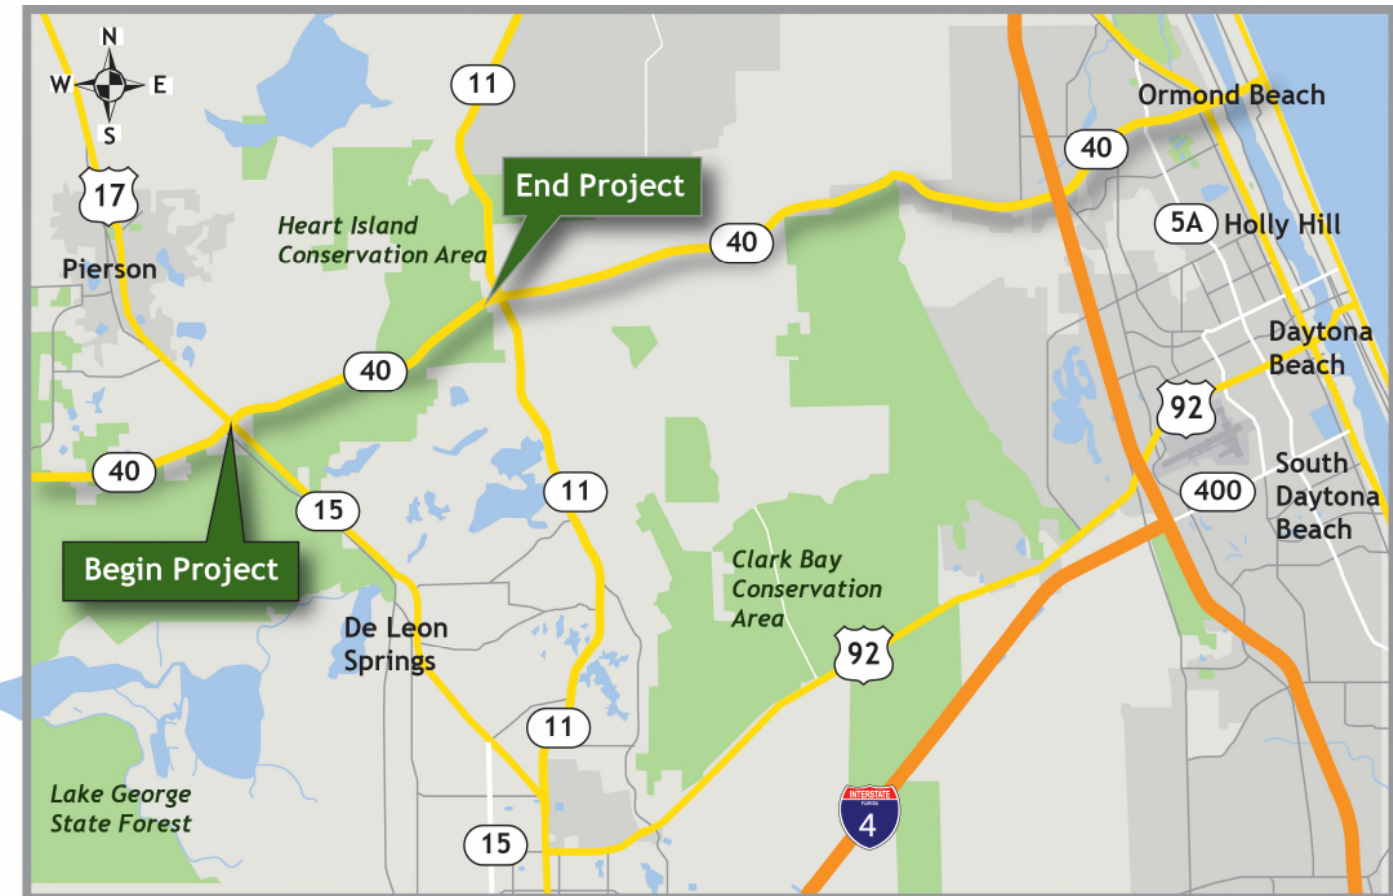

*Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator by phone at (386) 943-5367, or via email at [Jennifer.Smith2@dot.state.fl.us](mailto:Jennifer.Smith2@dot.state.fl.us).*

*Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Megan Olivera by telephone at 407-709-9840 or by email at [Megan.Olivera@dot.state.fl.us](mailto:Megan.Olivera@dot.state.fl.us), at least seven days prior to the meeting. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).*

## Project Description

The project involves the widening of SR 40 to four lanes from SR 15/US 17 to west of SR 11. The project includes milling and resurfacing of the existing roadway to serve as westbound travel lanes and new roadway construction for eastbound travel lanes. Work also includes the construction of four wildlife crossing box culverts and a 12-foot wide, paved, multi-use trail on the south side of the road. The project is not funded for right of way or construction.

## Project Limits
