The Florida Department of Transportation (FDOT) invites you to a Community Listening Session being offered in both Flagler County and Volusia County. The State Road (S.R.) A1A Resiliency Strike Team is exploring options to repair and strengthen approximately 13 miles of S.R. A1A to make the roadway, beaches and dunes, serviceable, functional, and resilient for decades to come. These Community Listening Sessions will give the public an opportunity to provide ideas and feedback. One will be held on January 19, 2023, at the Ormond Memorial Art Museum and Gardens, and the second on January 24, 2023, at Santa Maria del Mar Catholic Church. Community members may attend the open houses anytime between 5:30 p.m. and 7 p.m.
