Moving Florida Forward Infrastructure Initiative

On September 26, 2023, the Florida Department of Transportation held a press conference to announce expected construction timelines for the I-95 at US 1 Interchange project as part of the Moving Florida Forward Infrastructure Initiative. Four billion dollars have been dedicated to this Initiative to accelerate priority infrastructure projects across the state and ensure that transportation infrastructure will meet the demands of current and future residents and visitors, ensuring that both people and goods can move safely throughout the state. The I-95 at US 1 Interchange project is located in Ormond Beach and includes a reconstruction of the interchange and the widening of the approximately one-mile segment of US 1 between Plantation Oaks Boulevard/Broadway Avenue and Destination Daytona Lane from two lanes in each direction to three. This widening includes the addition of shared use paths to serve bicyclists, pedestrians, and other users. Construction will begin in late 2027 and is expected to cost \$340 million.
