Tanger Outlets/Tomoka Town Center service begins June 28

Soon, Votran passengers will have a dedicated stop at Tanger Outlets and Tomoka Town Center.

Beginning Sunday, June 28, Votran will split the current Route 11 into two routes, 11A and 11B. While 11A will continue to service the traditional route to the Daytona Beach Flea Market, 11B will turn on to Williamson Boulevard from International Speedway Boulevard and travel to the Tanger Outlet/Tomoka Town Center area.

Prior to June 28, Route 11 operated on a 30-minute service schedule. When the A/B schedule takes effect, destinations on Route 11A and 11B will operate on a one-hour service schedule. Overlapping areas (those that are served by both A and B) will continue to be served every 30 minutes.

Night service will begin when regular retail hours resume. Night service will run every two hours on the Route 11N from 7 p.m. to midnight Monday through Saturday. Route 11A will not have night service.

Riders may access the Tanger Outlets/Tomoka Town Center area on Sundays via the Route 10S, which will service the stop every hour, outbound only, from 7 a.m. to 5 p.m.

Votran riders are encouraged to plan trips in advance. Riders may learn more by visiting votran.org. The website provides up-to-date alerts and real-time bus tracking. It also offers downloadable information for the myStop mobile app for real-time bus information anywhere.
